

# Service Careers B

*For High School Students Only*

Gordon Cooper Technology Center offers full-time career pathways to high school juniors, seniors and adults. A student is eligible to receive college credit for most full-time career majors. High School students are eligible to receive math credit for various career majors. Courses are offered from 8:10 to 11:10 AM and 12:55 to 3:55 PM Monday through Friday. A student can choose to attend either the AM or PM session or both sessions. All students must be assessed before entering a career major.

**Service Careers B** prepares individuals for gainful employment in the occupational field of building maintenance, basic carpentry, basic plumbing, industrial cleaning, industrial floor care, commercial lawn care.
